Mazda 626

## The Stylish Performer

Mazda 626 captures the driving spirit. The all-new Mazda 626 is a high, refined combination of luxury and practicality that expresses your sense of good value.

The precise handling characteristics of the new Mazda 626 brings new pleasure every time you

drive it. Even standing still the 626 has the aura of excitement in its sleek lines. On the move the wind tunnel perfected aerodynamic design truly contributes to its high speed stability and fuel economy.

The smooth, powerful and responsive 2.4L E

overhead cam four-cylinder engine is matched with a sophisticated road-hugging suspension. The plush interior features comprehensive instrumentation and a driver's seat which includes adjustable thigh and lumbar support. The two individual fold-down rear seat backs can be

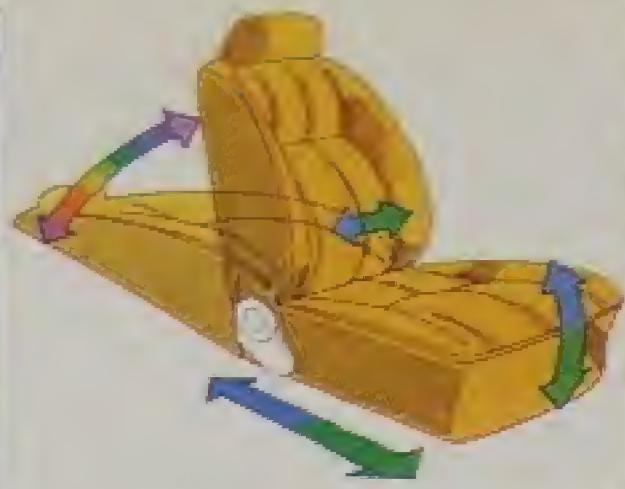

positioned to give a large flat carrying space extending all the way from the back of the front seats to the back of the car. A unique feature.

The Mazda 626 2-litre is available in a range of stylish 4-door sedans and a classic 2-door hardtop. Performance and style with traditional Mazda quality.
